EUROPEAN KARATE CHAMPIONSHIPS FOR
REGIONS

Maribor, Slovenia, 14TH JUNE 2008
(More information will be available on
www.karate-zveza.si)

KARATE FEDERATION OF SLOVENIA

It is for me and for all of the components of the European karate family a great pleasure to visit Maribor and Slovenia. More than 40 European countries are going to meet in Maribor around Karate, a sport that is proving day by day not only how deep it is merged in our society but also the added value that its practice gives irrespective of age and condition.

The Slovenia Karate Federation is a young and at the same time a rather active member of the European Karate Federation and also of the World Karate Federation, for both qualitative and quantitative reasons. We have lived the progress that karate has experienced in this country and how positively it has been contributing to the worldwide development of our sport.

I also want to congratulate the Slovenia Karate Federation and its President for the commitment, professionalism and interest shown for the successful organization of these Championships, and wish that this event will serve to further promote karate popularity and practice throughout the country.

In the name of the whole European Karate, I want to thank you for your inestimable contribution, and I am sure that we all will enjoy unforgettable days in Maribor.

Antonio Espinós
The President of
European Karate Federation

KARATE FEDERATION OF SLOVENIA

Dear guests and Karate friends,

It is my great pleasure to invite you to the 6th European Regional Championships, on behalf of the Karate Federation of Slovenia. We are privileged to host one of the important EKF events and we will be pleased to welcome you in Slovenia. As a host country we will do our best to make this Championship memorable for you.

Looking back to the past we can prove experience of our relatively young organization not only by hosting European Cadet and Junior Karate Championships in 2000 in Celje but also for the last 8 years our traditional and to many of you well known Slovenia Open in September.

Despite the tight championship schedule we hope that you will be able to use this opportunity to visit some of Slovenia's beautiful places and learn more about our country.

I would like to take this opportunity to wish good luck to all the competitors. I am sure that high motivation, excellent standard of athletes and high number of entries will help promote and progress the sport that we all care about.

Igor Zelinka, Ph.D.
President of the
Karate Federation of Slovenia

KARATE FEDERATION OF SLOVENIA

Dear guests,

Organization of such important international sports event is a big honour. It will be great pleasure to open 6th European Karate Championship for Regions. The city of Maribor will for the first time host the best of the karate-ka's from all over Europe who will compete to become European Champions. I kindly invite all karate-ka's of our continent to come and participate in this important moment in the history of Slovenian karate.

Such competition is very important for the city of Maribor which is proud of its rich sports and cultural tradition. The city is especially tempting during various sports and cultural events, because people from Maribor are renowned as good organizers and hosts. The city especially comes to life during Zlata lisica, the World Cup competition of women skiers, international festival Lent, Festival of the Old Vine, as well as other events, while the night life is enriched with the events in the charming old city centre where the visitor can still see various impressions from the city's history.

Maribor, as the capitol of the region of Štajerska, and second most important city in Slovenia, invites you to get hugged by wine-growing hills, green hills of Pohorje and River Drava which divides the city in half. People of Štajerska are renowned viticulturists, and can boast with the oldest vine in the world which every year gives most noble wine.

The city is well known for its rich cultural tradition. It is also young university city, which is currently running for Cultural Capitol of Europe.

I am looking forward to meeting all of you, sports friends, competitors and fans of karate. I wish and hope that you all have a pleasant time in Maribor, the city of my birth.

Primož Debenak
President of the Organizing Committee

KARATE FEDERATION OF SLOVENIA

Dear sports friends!

I am pleased, that the 6th regional European Championship in karate will take place right in the University City Maribor, which is the second biggest city in Slovenia – economical, mercantile, cultural, educational and sport center of North-Eastern Slovenia.

The city of Maribor is a university city with a bit more than 100 000 inhabitants. Together with some other cities, Maribor is an aspirant for the prestige denomination European cultural metropolis 2012 and we also candidate for the Winter University Championship 2013. Those are the projects, which offer numerous development opportunities to the city and we are sure, that we will take a good advantage of them.

There are many events happening in our city and it would make us happy if you enjoyed in some of them. I am sure that the competitors and the team attendants will leave Maribor with best impressions – such as the competition organization as the pleasant memories of the hospitality and the friendliness of our city and its inhabitants as well.

Friendly greeting till the meeting in our city in June 2008!

Franc Kangler
The mayor of City Commune Maribor
