Dear Ladies and Gentlemen,

It is for me and for all of the components of the European karate family a great pleasure to visit Izmir and Turkey. More than 40 European countries are going to meet in Izmir around Karate, a sport that is proving day by day not only how deep it is merged in our society but also the added value that its practice gives irrespective of age and condition.

Turkey is a very important piece of the European Karate Federation and also of the World Karate Federation, for both qualitative and quantitative reasons. We have lived the progress that karate has experienced in this country and how positively it has been contributing to the worldwide development of our sport.

I also want to congratulate the Turkish Karate Federation for the commitment, professionalism and interest shown for the successful organization of these Championships, and wish that this event will serve to further promote karate popularity and practice throughout the country.

In the name of the whole European Karate, I want to thank you for your inestimable contribution, and I am sure that we all will enjoy unforgettable days in Izmir.

# İZMİR

*Known as 'Beautiful İzmir', the city is Turkey's third largest city and second most important port. It lies at the head of a long and narrow gulf furrowed by ships and yachts. The climate is mild and in the summer the constant and refreshing sea breezes temper the sun's heat. Behind the palm-lined promenades and avenues which follow the shoreline, the city, in horizontal terraces, gently ascends the slopes of the surrounding mountains. İzmir also has many fine hotels. The city is a busy commercial and industrial center as well as the gateway to the Aegean Region. Turkey's Aegean shores are among the loveliest landscapes in the country. The magnificent coastline, lapped by the clear water of the Aegean Sea, abounds in vast and pristine beaches surrounded by olive groves, rocky crags and pine woods.*

*Dotted with idyllic fishing harbors, popular holiday villages, and the remains of ancient civilizations, (attesting to the inheritance of more than 5,000 years of history, culture and mythology) this region offers an exceptionally attractive venue for meetings, incentives and conferences. Luxury and first-class hotels, and exclusive restaurants throughout the region provide excellent accommodation and facilities for sports, entertainment, shopping and meetings of all kinds. A cosmopolitan and lively city all year round, İzmir bursts with an added vibrancy during the International Arts Festival and the International Fair.*
