The two previous World Cups that Odessa has hosted have been a great success. And now we are gathering competitors from all over the world to take part in the III World Cup on karate&kobudo.

3rd WUKF World Championship, Odessa, 2009

The history of holding World Cup in Odessa began when **“Naha-te” international tournament** was established by Jundokan Federation of Ukraine in 1999 and it has been held annually since then. It has gathered numerous participants from all over the world. In 2008 Jundokan Federation of Ukraine had

Opening ceremony 4th International
“Naha-te” tournament, Odessa, 2002

received a permission from Ryukyu kobudo Hozon Shinko Kai to hold the I World Cup on karate & kobudo. The first World Cup was a success, so next year II World Cup was held. The international “Naha-te” tournament was since 2008 held together with the World Cup.

The main advantage of the “Naha-te” tournament, apart from it being well-known and one of the oldest and most serious tournaments in the world, is that it uses Irikumi rules, so **any martial arts**

practitioner can take part in it. No matter what you study - thai-boxing, karate, judo, jujutsu or other martial arts, thanks to the **Irikumi rule-system** you can participate in the tournament!

(Detailed information about rules for the “Naha-te” tournament and III World Cup finals can be found in one of the files attached to the bulletin, or on our website)

In 2009 Odessa hosted the 3rd WUKF World championship. So you can be sure that this years tournament will be organized on a decent European level.
