Insurance

It is compulsory that all participants and members of delegations have their own medical insurance and personal trip insurance. The Spanish Karate Federation and the European Karate Federation are taking no liability for either of these. **The Chiefs of the delegations have to sign the enclosed terms of responsibility sheet and return it by March 30th 2012**

Everybody is expecting with great encouragement the next 47th European Senior Championships 2012 to be held in Tenerife. The Spanish Karate Federation has been for decades an outstanding member not only of the European, but also from the World Karate Federation, both in the sporting side as well as in the structure and capacity of the Federation.

The Spanish Karate Federation is in fact a model of efficiency and well doing. It has always been a pleasure to work with them, and in all the before mentioned I want to make a special mention to President Antonio Moreno that has always made things easy inside a positive atmosphere of mutual help and collaboration with the European Karate Federation as regards the preparations of these 2012 Championships.

The celebration of such a major event in Spain is something well deserved by the Spanish Karate Federation, a major contributor of the World Karate Federation and of the European Karate Federation, with an impressive track record like the 3 World Senior Championships of 1980, 1992 and 2002 that had been held in Spain, and so many European Senior Championships since the first hosted in Spain in 1983. Also this is the 3rd European Senior Championships hosted in Tenerife, after the ones of 1997 and 2005, this time in the amazing southern area of the island.

These 47th European Senior Championships are going to be a new success of our sport in the Continent, and also a new success of the European Karate Federation thanks to the inestimable contribution of one of its outstanding members, the Spanish Karate Federation.

Antonio Espinós
President of
European Karate Federation

Again, we are going to celebrate a Karate International event in Spain, the 47th European Senior Championships. On this occasion and for the third consecutive time, it will be in Tenerife, the eternal spring island, in particular in Adeje, where it will hold the most important Karate event in Spain.

This island, crowned by the Teide volcano, has picturesque villages, amazing landscapes and fantastic beaches. Adeje is located in the southwest of the island of Tenerife, where you can find the beaches of Costa Adeje, which are one of the main attractions, and enjoy its pleasant climate during the whole year.

Our most sincere gratitude to the institutional support of the Town Hall of Adeje and the confidence of its Mayor, Mr. José Miguel Rodríguez Fraga, for his cooperation in this event as well as to the sport in general, specially to our sport, Karate.

I would like to make a special mention of the President of the European Karate Federation, Mr. Antonio Espinós Ortueta's contribution to the 47th European Senior Championships organization, so that the event will definitely mean a new success for our sport in Spain.

On the other hand, I appreciate the efforts from the Federation in the Canary Islands, and specially from its President, Mr. José Pérez García for his dedication and enthusiasm, which has enabled and made the development of this event possible.

To conclude, I want to express from the Spanish Karate Federation and from me, at a personal level, the wish that the people who travel to Tenerife fully enjoy the Championships.

ANTONIO MORENO MARQUEÑO
President of Spanish Karate Federation

It is an enormous pride and satisfaction for Adeje City to be the venue of an event of such magnitude in sports as they are the XLVII European Championships.

I welcome all the participants, delegates, relatives and friends who come to the Canary Islands, and I hope all of them enjoy our city. Adeje is a high-level tourist destination with the largest number of four and five star hotels in Europe, with a summer climate all year, beautiful beaches, an interesting cultural and gastronomic offer, and the confidence and benefits of being within the framework of the European Union.

Enjoy these days the sport in our facilities, which we place at your disposal and which we hope will fulfill your expectations. Adeje is a city where the Sport has been one of the main social policies in the last twenty years and we have built a series of high-level facilities, sports venues, high-performance centers, etc... that are distributed all around our geography and have been designed for both the enjoyment and the promotion of sports at a local level, and to supply training and competitions of athletes and elite clubs.

Thank you for choosing Adeje, welcome and good luck to the participants.

José Miguel Rodríguez Fraga
Mayor of Adeje

Tenerife is the largest of the seven Canary Islands, which form this Atlantic Ocean archipelago. It has many interesting locations, towns, villages, seaside resorts, beaches and cities to explore.

Adeje, is the town that gives its name to the coastal region, which includes Playa de las Americas to the south, extending northwards through Playa Paraiso, Callao Salvaje to La Caleta. In recent years, the town and its immediate surrounding area has become something of an upmarket tourist destination, a little more sophisticated than its neighbors. In the vicinity, you can find such major attractions as [Siam Park](#), [Aqualand](#) (otherwise known as "Octopus Park") and the [Golf Costa Adeje](#) professional golf course.
