12th
EUROPEAN
KARATE CHAMPIONSHIPS
FOR REGIONS
Izmir 2014 / 7-8 June

These 12th European Karate Championships for the Regions in Izmir, Turkey, are surrounded by great expectation after the very successful experiences of the previous editions of these Championships, that have been continuously increasing in size and in quality since its first edition in 2003.

The unique opportunity for all European Regions to compete under their own name, flag and personality in an official sport event makes these Karate Regions Championships a rather singular and attractive activity, bringing to the reality an historic aspiration that has proved to meet so many expectations.

Also, the fact that the organisation of the event will be run by the Turkish Karate Federation is a guarantee of quality and well doing. All European karate will travel to Izmir and will also have the opportunity to close ties with the Turkish karate.

This 2014 edition continues counting with the incentive of a new format, with a rather imaginative and successful proposal implemented in 2010 that includes the youth categories from 14 to 17 years. In the name of the big European Karate family, I want to thank you for your inestimable contribution. Be sure we all will enjoy unforgettable experiences around karate in Izmir Turkey.

Yours sincerely,

Antonio Espinos
EKF President

İZMİR

City of exquisite history, blue sea and good food.
City of gods, emperors, sultans ; of the sun and the wind.
City of the wise, the hero, the learned and the free;
a treasure trove for historians, archeologists and scholars.
İzmir... City where historical Silk Road meets the Aegean
and the skyscrapers salute the ancient ruins,
city where the future is brilliant and the horizon is bright.
City where life paces up in Kordon, slows down in Seferihisar and
turns into pure pleasure in Çeşme.
İzmir... The city of olives, figs and grapes... The land of the natural,
organic and fresh.

Leaning against 8,500 years of history and looking hundreds of years ahead, İzmir is gloriously situated on the western edge of Turkey, acting as the western port opening up to Europe. It was no coincidence that Darius built the Persian Royal Road in 5th century BC to reach this city; and that mausoleums and temples were dedicated to gods here.

Warmed by soothing thermal waters of Balçova, adorned with Bird Paradise, generously sprinkled with architectural masterpieces, delicately framed with beautiful beaches, İzmir is one precious gem by the Aegean.

The Temple of Artemis, an actual Wonder of the Ancient World; Asclepion, the historical center of healing and the Temple of Zeus are just some. Festivals and exhibitions, fairs and conventions fill up İzmir's calendar year 'round.

İzmir... The bountiful, the fruitful and the beautiful.

12th EUROPEAN KARATE CHAMPIONSHIPS FOR REGIONS

Izmir 2014 / 7-8 June

Izmir, with its 8,500 years of history encompassing 3,500 years of recorded urban history and its land spreading over 12,012 km², is a metropolis in the west of Turkey. The economically fertile atmosphere stemming from its ports, economic variety, skilled manpower and its geographic location has turned İzmir into the 3rd largest economy in Turkey. With its spectacular growth rate, İzmir has recently been determined as one of the top 5 fastest growing metropolitan economies of the world.

Izmir, undoubtedly owes much of its economic and social prowess to its location and climate, but even more so to its social mosaic that has allowed many cultures and civilizations to flourish over the centuries. Persians, Greeks, Assyrians, Romans, Byzantines and Ottomans are only a few of the dozens of civilizations that İzmir has hosted throughout its long history. İzmir takes pride in its multi-religious weave. In İzmir, several churches and synagogues are harmoniously intertwined with mosques and ancient houses of worship. Half the 4 million population of İzmir is under 30, which makes the city a vibrant one. İzmir hosts tens of thousands of students, providing the whole country with a constant stream of scientists, artists, businessmen and scholars.

Its perfect climate makes İzmir a wonderful habitat for staples like olives, figs, grapes and cotton. Blessed with a great spot for fresh seafood and variety of olive oils to drizzle over, the purest and simplest forms of culinary wonders make İzmir a destination for foodies as well. Although opening up to the blue, İzmir is also a very "green" city; it boasts numerous spots for healthy living, offers active life style solutions for its locals, takes measure to protect the environment and supports the use of renewable energy. Portrayed by 19th century French poet Victor Hugo as "princess", İzmir (formerly known as Smyrna) is a rooted city that has once been inscribed on ancient coins and a young, dynamic metropolis simultaneously.
