Sights:

České Budějovice (N 48°58.54520', E 14°27.44605')

- Cultural centre of the South Bohemia Region. Town was founded in 1256 by King Premysl Otakar II at the confluence of the Vltava and Malse rivers.
- The **largest square in Middle Europe** surrounded by burgher houses with arcades. The most charming building is the grand **Town hall**. The traditional symbol of the square is the **Baroque Samson fountain** and **Black tower**.
A view of Přemysl Otakar II Square from the Black Tower

Hluboká nad Vltavou (N 49°3'8.116" E 14°26'3.375")

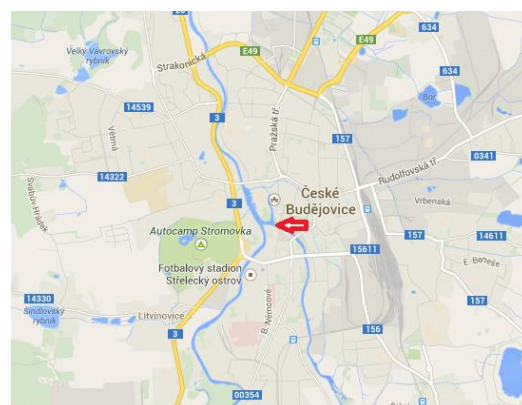

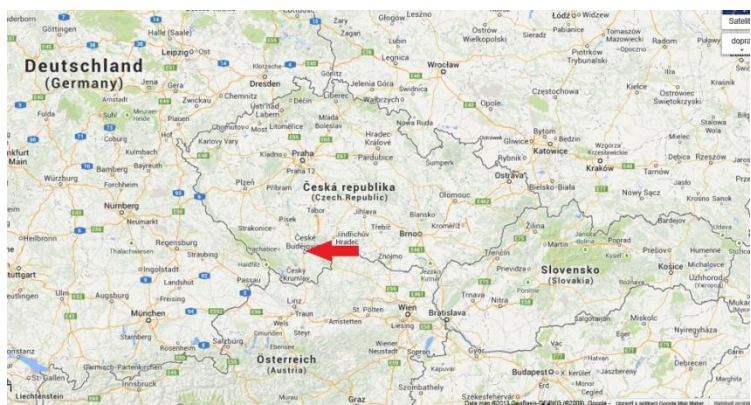

- famous mainly for its castle called Hluboká. The castle belongs to one of the most beautiful castles in the Czech Republic. If you want to get to Hluboká nad Vltavou, the best way is to get your bicycle and go there through the **cycle track leading from Budweis**. You can also visit a **nice zoo** near the town.

Český Krumlov (N 48°48'43.304" E 14°18'58.094")

- Just 30 minutes from České Budějovice
- Český Krumlov (UNESCO) is unique historical town of the Czech Republic which offers to your visitors famous **Castle Complex** (one of the largest in Central Europe).
