KARATE GRAND PRIX OSTRAVA 2016

5. 11. 2016

THE INVITATION OF THE DIRECTOR

Dear sport friends,

It is a great honor for me to invite you to the 11th year of the traditional tournament KGPO which will be held on the 5th of November 2016 in Ostrava. We would like to thank the Moravian-Silesian region and Ostrava for their long-standing support of the tournament that has made this sport event one of the biggest in the region.

I believe, that also in this year will in Ostrava meet international competitors and the good location in the middle of Europe will attract a huge number of the competitors from the neighboring Slovakia, Poland, Germany, Austria and other states of Europe.

KGPO was always typical of its great atmosphere that was made not only by the competitors, but also by the big number of viewers. This year we are moving the tournament to a new, bigger and more modern sport hall that will bring all participants even better sport experience.

I am looking forward to seeing you!

Vladimír Ryska, Dis. (7th Dan)
